

## Memphis Mentoring Partnership Agency Youth Follow-Up Survey

You have been participating in \_\_\_\_\_'s mentoring program for the past few months. It is important to us to know what your experience in the program has been like. We use this information to find out what works and what doesn't. That way we can build a better program in the future.

Take a few minutes to fill out the survey and then mail the completed survey to \_\_\_\_\_ at \_\_\_\_\_. No one in your school and no one at \_\_\_\_\_ will ever know what you write down. Everything you say will be kept secret.
