Family Profile #4

After Tax Annual Income: $65,000.00

Assets: $10,000.00 (Non-liquid)

Family Members: 1 Adult Female
1 Adult Male
1 female child age 4
1 male child age 8

Description: Your family lives in a (not-yet-paid-for) house in a large metropolitan area. Both adults work full-time in a small business that you own. Your health insurance is provided through your business.
**Family Profile #5**

**After Tax Annual Income:** $22,500.00  
**Assets:** $0.00  
**Family Members:** 1 Adult Female  
1 child age 3  

**Description:** Your family lives in an apartment in a suburb of a large metropolitan area. The adult works full-time as a nurse’s aid in a near-by hospital. There is a metropolitan bus service available. The friend that watches your child while you work is moving away soon. You will need to make alternative arrangements.
Family Profile #6

After Tax Annual Income: $140,000.00
Assets: $20,000.00 (Non-liquid)
Family Members: 2 Adult Males
1 teenage male age 16

Description: Your family lives in a (not-yet-paid-for) house in a large metropolitan area. You own two cars, one of which is paid for. Both adults work as lawyers: one as a public defender, the other in a private firm. Each employer provides health benefits. Your son is hoping to graduate early from high school and is considering traveling before attending college.
Family Profile #7

After Tax Annual Income: $250,000.00
Assets: $100,000.00

Family Members: 1 Adult Female
                1 Adult Male
                2 female children age 3 and 12
                2 male children age 17 and 18

Description: Your family lives in a house in a large metropolitan area. One adult serves as the president of a Bank. Health benefits are provided for your entire family through the employer. You own two cars, both of which are paid for. The other adult does not work outside the home. The oldest teenager is applying to college. The 12 year-old-girl has a learning disability and requires additional tutoring outside of the public school she attends.
