THE NATIONAL MENTORING PARTNERSHIP

Mentoring Connector

The Mentoring Connector is a free volunteer referral service and the only database of its kind designed to help quality youth mentoring programs across the US recruit volunteer mentors. Programs meeting baseline quality standards as outlined in the *Elements of Effective Practice for Mentoring™* will be added to the publicly searchable referral database, and volunteers can search for mentoring opportunities by zip code, ages of youth served, and program type to find and contact programs of interest.

In 2018, the Mentoring Connector was searched over 133,000 times!

Don't miss out on this opportunity to recruit new mentors by adding your mentoring program to the Mentoring Connector.

HOW DO I LIST MY PROGRAM?

1. Go to <https://connect.mentoring.org/admin>
2. Under “Add your program listing” select “[Click Here to Add a Program](#)”
3. When the system asks “Do you already have Program Administrator login credentials?” say **No**.
4. Enter the requested info on your mentoring program.
5. Click “**Submit**” when finished.

The submission will then be reviewed by your local [MENTOR Affiliate](#), and you will receive an email when your listing has been approved and made public.
