

# RELATIONSHIP-CENTERED SCHOOLS

All students experience higher quality, intentional, critically conscious, culturally responsive, healing-informed relationships.

**Strengthening & Scaling Existing or Developing New School-Based Mentoring Services**

**Creating More Opportunities for Youth to Build Relationships in & Outside of School**

**Providing Professional Development for Teachers & Staff on Relationship Skills**

**Creating or Scaling Experiential, Project-Based or Competency-Based Learning Opportunities**

**Expanding Out-of-School-Time Opportunities, Including Parent & Community Involvement**

**Training for Youth on Building Social Capital & Networks**

**Reviewing & Revising Policies to Ensure Development & Support of Positive Youth/Adult Relationships**

**Measuring & Tracking of Student Relationship Quality & Web of Support**

**MENTOR**
