## STEP 1

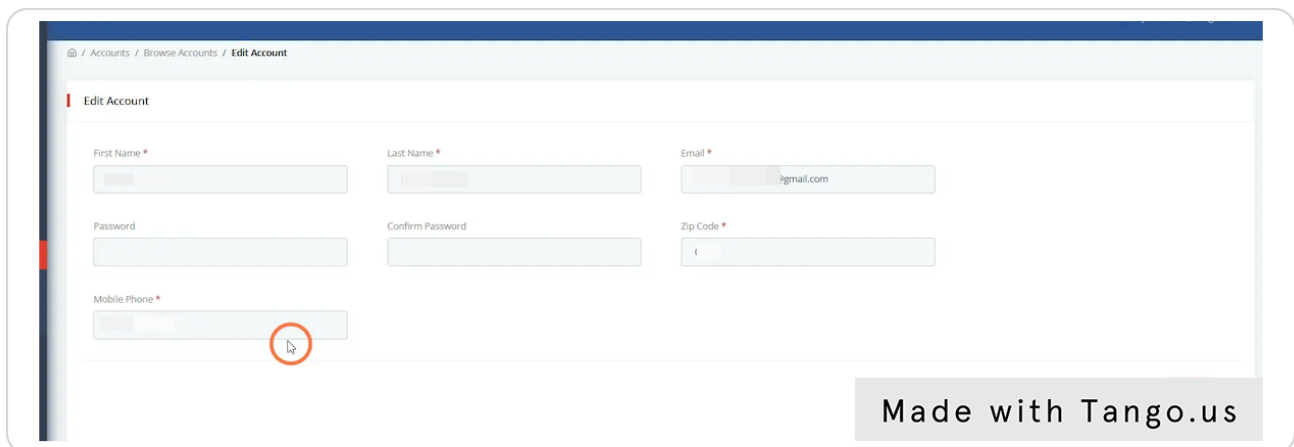

The Browse Programs page lets you filter for specific accounts by Name, Email, or Zip Code. Click Add Account to Create a new Admin account or Edit by an existing account to change any existing Admin Account information.

## STEP 2

When adding or editing an account, fill out all required fields marked with an asterisk (\*) and click save.

To add an Admin account to a Program, return to the program's information page and add the account under Mentoring Connector Administrators. Please review How to Add a New Program Administrator to a Program Account for more details.
