STEP 1

Fill out data fields with your first name and last name

The screenshot shows a dark blue web form titled "Step 1 Start here". The form includes a blue button labeled "Are you" and a partially visible "you're" label. The form fields are: "First Name" with the value "Test", "Last Name" with the value "Inquiry", and "ZIP Code" which is empty. A "Made with Tango.us" watermark is visible in the bottom right corner.

STEP 2

Enter your email - programs will respond to this email address

This screenshot shows the same web form as in Step 1, but with an additional "Email" field. The "Email" field contains a redacted address, represented by a grey box over a blue bar. The other fields remain the same: "First Name" is "Test", "Last Name" is "Inquiry_MENTOR", and "ZIP Code" is empty. The "Made with Tango.us" watermark is still present in the bottom right corner.
